RAINBOW WEB

LITTLE BENALYANS SACRED GEOMETRY

601

Look at the Shapes

Find a circle.

Follow one line to another circle.

Look for a triangle made by the lines.

Name the colors you see.

Connection

The lines join the circles.

People connect when they talk, play, and help.

You can make a caring connection with a small act of kindness.

Can You Find It?

Which color do you notice first?

Let's Draw!

Draw a few circles.

Give each circle a color.

Join some circles with lines.

Use this space for your picture.

Think About It

Who could you help today?
